

2025 NEOMED STUDENT RESEARCH SYMPOSIUM

SAVE THE DATE

Join us as students across all four colleges present their scholarly work in NEOMED's annual celebration of student achievement and discovery.

Plenary speakers to be announced.

Friday, Nov. 21 | 1-5 p.m.

LOCATION: NEW Center Ballroom and Cook Hall

ABSTRACT DUE DATE: Monday, September 15, 2025*

Scholarly work can include research of any form (*including, but not limited to, quantitative, qualitative, theoretical, or community service*). This includes projects in Quality Improvement, Basic and Clinical Science, Meta-Analyses, Systematic Reviews, Literature Reviews, etc.

If you have any questions/concerns about eligibility, please reach out to us or let us know in the submission form.

**Students will actively be writing their abstracts from the time of this notice until the Abstract Due Date. Faculty PIs are thanked in advance for reviewing student abstracts prior to submission.*
