Dear NEOMED Faculty & Staff,

On behalf of Catholic Charities Serving Portage and Stark Counties, I would like to thank you for donating to our 2017 school supply drive. Your generosity enabled us to provide approximately 300 area students with much-needed items to prepare them for a new school year.

As the number of requests for assistance continues to increase, we are even more dependent upon our parishes and community for their generosity and support. Please know that your kindness is greatly appreciated by all those served.

On behalf of those who received school supplies through your donation, please accept our sincere thanks, and may God bless you always.

Sincerely,

George Garchar  
Executive Director
