

The Councils' Update

Current Business

- **NSC Updates:**
- Andre Burton, J.D., is the new Interim Vice President of Human Resources and Diversity
- Michelle Mulhern, M.P.A., is the new Chief of Staff, and Secretary, NEOMED Board of Trustees
- Presidential search is ongoing, a search agency for candidates has been contracted:
 - The NEOMED Board of Trustees is seeking a leader of excellence and quality for the next decade and your views and experiences are extremely valuable in assisting NEOMED with identifying its seventh president. You are invited to participate in a focus group discussion which will be facilitated by Witt/Kieffer, the search firm retained by the Board of Trustees to assist the University in identifying our next president. The sessions will be held from 12 p.m. to 12:45 p.m. on Monday, Feb. 4, 2019, and Tuesday, Feb. 5, 2019, in Cook Alumni Hall in the NEW Center on Northeast Ohio Medical University's campus, located at 4209 State Route 44, Rootstown, OH 44272. Lunch will be provided.
 - If you would like to take part in the focus group on Feb. 4 or 5, please let us know by contacting the Office of the President at 330.325.6255 or via email at presidentsearch@neomed.edu. In the event you are not able to participate, a survey will be made available on NEOMED's website where you can share your thoughts about the priorities and characteristics for this important position. The survey results will also provide Witt/Kieffer the information needed to create a presidential position description.
- Dr. Gershen will retire by September 2019
- Have any other concerns or questions?
Email: NSC@neomed.edu
- **SCC Updates:**
- There was a survey that came out earlier in the month from the IT department to gauge how widespread a current calendar feed issue may be for students
 - Thank you for completing this and helping out
 - Be on the lookout for other IT e-mails to come out
- ESL (English as a second language) tutoring sessions will occur on Monday and Wednesday nights from 4-8pm - sign up through the Learning Center page on AIMS if you are interested
- Take a look at the College of Pharmacy's Strategic Plan for 2018-2021: <https://www.neomed.edu/pharmacy/about/strategic-plan/>
- Specific curriculum updates for the P1 class has been discussed at the class meeting on January 25th
 - P1 class – reach out to Aimee Kearns and Cecil Ekechukwu specifically for questions
 - E-mail will be sent out with more information to the P1 class
- In February 2019, the Curriculum Management and Assessment Committee (CMAC) for the College of Medicine will vote on whether or not to make a change to the preclinical course grading system at NEOMED. However, before CMAC votes, the faculty on that committee desire an updated collection of student responses and votes regarding this issue. CMAC formed a Task Force to look into this proposal and their summary notes were sent in an email to all Medicine students by Craig Theissen on 1/18/19. Students then received a survey request from Academic Services to provide their feedback on this potential change, with the survey closing on Feb. 3 @ 11:59 PM.
- Have any other concerns or questions?
Email: SCC@neomed.edu
- **Conduct Council Updates:**
- Remind students to submit in the concern form
 - MTC course and distracting behaviors (video games during class) and not coming to class due to this
- Nominations for ethical leader award are still up
- Be mindful and professional in the library
 - Please do not leave personal belongings overnight
- Have any other concerns or questions?
Email: StudentConduct@neomed.edu
