

CHANGE starts here.

Can we count you in?

LIVE UNITED!

Please join with the United Way to strengthen our community with your gift.

GIVE.

The workplace campaign is the easiest and most powerful way to invest in improvements for your community. You can direct your contribution to an impact area or allow local volunteers to direct your contribution where it is needed most.

ADVOCATE.

You can make change happen with your voice. Get informed. Tell your friends. Write a letter to the editor. Like us on Facebook. United Way needs people who are passionate about education, income and health to make some noise.

VOLUNTEER.

The United Way works with volunteers and local non-profits to develop opportunities for youth, busy working adults and seniors. Call 330.297.1424 or visit uwportage.org to find local volunteer opportunities.

Our community is stronger when families are stable, when children succeed and when people enjoy good health. United Way of Portage County plays a critical role in our community by raising funds and creating long-term, effective solutions that support programs most needed.

Without you, this just would not be possible!

THANK YOU!
