

NEOMED Walking Whales

2021 NAMIWalks Summit County

Our team members, including students from the *Psychiatry Student Interest Group*, walked in person and virtually on October 16th to raise awareness for mental health needs of our community.

Even some of our furry friends showed their support!

With your help, we have raised \$1,177. That is 91% of our goal of \$1,300.

Can you help us get over the finish line? Please consider making a donation today:

All funds raised go to [NAMI Summit County](#) to provide education and advocacy to support people with serious mental illness and their families.

We look forward to seeing you again in 2022!
