

## George and Judy Litman Endowed Scholarship Application

**Deadline: February 14th, 2022**

Student Name: \_\_\_\_\_

Student ID: \_\_\_\_\_

Please submit the following along with this application form:

- Resume or CV; and
- Essay describing your interest in cardiology or cardiology research which may draw upon experiences during your medical education; essay not to exceed two pages.

The following items will be submitted along with this application:

- NEOMED Transcript

I grant permission for the Office of Financial Aid to provide my transcript to the University Scholarship and Awards Committee for the purpose of selecting a scholarship recipient.

**Please submit:**

- Via email - [finaid@neomed.edu](mailto:finaid@neomed.edu); or
- Upload on <http://apps.neomed.edu> > All Users > Secure Document Upload. Choose FA Scholarship Application as type of document, then press submit. A green box will appear in the upper right corner to let you know that your document was submitted successfully.

**If I am selected for the scholarship, I hereby give my permission to the University to release directory information to the NEOMED Foundation and to the University's Advancement and Public Relations and Marketing Office. When NEOMED funds are awarded, directory information (which can include student composite, name, and email address), and fund awarded may be disclosed for development and public relations purposes.**
