

Philip and Janice Westerman Scholarship Application

Deadline: February 14th, 2022

The Philip and Janice Westerman scholarship fund will provide a 2nd year NEOMED medical student with a \$1,000 scholarship. The recipient must have demonstrated excellence in the Human Architecture and Composition Course (HAC) course at NEOMED. HAC course modules include cell biology, molecular biology, genetics, basic biochemistry principles and carbohydrate metabolism. The scholarship will be applied to the student's educational expenses for the current academic year (2021-2022).

Name: _____

NEOMED Student ID: @_____

Application requirements:

Please submit an essay, not to exceed 1,000 words, describing your interest in the HAC course and how you will apply what you have learned to advance your career in medicine.

Please submit:

- Via email - finaid@neomed.edu; or
- Upload on <http://apps.neomed.edu> > All Users > Secure Document Upload. Choose FA Scholarship Application as type of document, then press submit. A green box will appear in the upper right corner to let you know that your document was submitted successfully.

If I am selected for the scholarship, I hereby give my permission to the University to release directory information to the NEOMED Foundation and to the University's Advancement and Public Relations and Marketing Office. When NEOMED funds are awarded, directory information (which can include student composite, name, and email address), and fund awarded may be disclosed for development and public relations purposes.
