

New Faculty Onboarding

SESSION #: 3 THE FACULTY POD: EXPLORING INSTRUCTIONAL DESIGN IN THREE WAVES

Wednesday, August 27
2-3 p.m.
Training Room (in-person only)

Join us for The Faculty Pod: Exploring Instructional Design in Three Waves; a high-impact session created specifically for faculty. Modeled after the natural rhythm of a well-designed class using best practices of instructional design, this session will help you plan and deliver learner-centered experiences from start to finish. Our presenters will be:
Maclane Stebbins, M.Ed. and Pamela Roeper, M.A.
Jennifer Hillyer, Ph.D.

All faculty are encouraged to join their new faculty colleagues for the monthly New Faculty Onboarding sessions to learn something new, refresh their skills, and connect with faculty colleagues.
