

Kent State's Neuroscience Symposium 2025: Conference and Research Exchange

October 23-24, 2025

Kent State University Hotel & Conference Center
215 S. Depeyster St., Kent OH 44240

This year's Neuroscience Symposium, hosted by the **Brain Health Research Institute**, will combine BHRI faculty member presentations and a student-focused poster session and research exchange. Please join us to hear more about the groundbreaking neuroscience research being conducted in Northeast Ohio.

Keynote Presentation by John Gunstad, Ph.D.

Friday morning speakers include Sheila Fleming, Ph.D., Stacy Miner, Ph.D., RN, CCRP, and Aleisha Moore, Ph.D.

Followed by a student poster session and research exchange short talks.
