

New Faculty Onboarding

SESSION 5: HERE TO HELP: AN INTRODUCTION TO FACULTY AFFAIRS AND FACULTY RELATIONS

Monday, October 13, 2025
1:30 - 2:30 p.m.
Training Room (in-person only)

This session will introduce new faculty to NEOMED Faculty Affairs and Faculty Relations. These offices and individuals, within Academic Affairs, support faculty throughout the faculty lifecycle, are responsible for all faculty data, foster engagement by supporting faculty at University events, and support faculty professional development opportunities for all NEOMED faculty.

All faculty are encouraged to join their new faculty colleagues for the monthly New Faculty Onboarding sessions to learn something new, refresh their skills, and connect with faculty colleagues.
