

Jennifer W. Baccon, MD, PhD, MHCM

Akron, Ohio | 215.605.7005 | baccon@gmail.com
www.linkedin.com/in/jennifer-baccon-md-phd-mhcm-6048354/

Elevating academic excellence and clinical outcomes in large academic medical centers and community hospital for 15+ years

Transformational Academic Healthcare Executive who blends business acumen, with clinical, educational and research background to solve complex, multidisciplinary challenges in healthcare. Nationally recognized academic leader repeatedly tapped to lead mission-critical projects, task forces and cross-functional committees. Passionate about collegiality and collaboration in decision-making when building high-performing teams.

Current Position

Chair
Department of Pathology and Laboratory Medicine
Medical Director of Value Analysis in Supply Chain
Akron Children's Hospital
Akron, OH 44308

Chair and Professor
Department of Pathology
Northeast Ohio Medical University
Rootstown, OH 44272

Education

Master in Healthcare Management, Harvard T. H. Chan School of Public Health, Boston, MA	2019-2021
Surgical Pathology Fellowship, concentration in Renal Pathology, Hospital of the University of Pennsylvania, Philadelphia, PA	2009-2010
Neuropathology Fellowship, Hospital of the University of Pennsylvania, Philadelphia, PA, including pediatric Neuropathology training at the Children's Hospital of Philadelphia and elective rotation in Ophthalmologic pathology, Wills Eye Hospital, Philadelphia, PA	2007-2009
Anatomic Pathology Residency, Hospital of the University of Pennsylvania, Philadelphia, PA	2005-2007
M.D., Ph.D. in Cell and Molecular Biology, University of Pennsylvania, Philadelphia, PA	1997-2005
Visiting Student, Pembroke College, Oxford University, Oxford, England	1995-1996
B.A. in College Scholar and Biology, magna cum laude with Distinction in all subjects, Cornell University, Ithaca, NY	1993-1997

Professional Experience

Medical Director of Value Analysis in Supply Chain, Akron Children's Hospital Akron, OH	2023-present
Chair, Department of Pathology and Laboratory Medicine, Akron Children's Hospital, Akron, OH	2017-present
Chair and Professor of Pathology, Northeast Ohio Medical University, Rootstown, OH	2017-present
Associate Director, MD/PhD program, Penn State University College of Medicine	2015-2017
Director of Foundational Medical Sciences, Penn State University College of Medicine	2014-2017
Director of Student-Centered Learning, Penn State University College of Medicine	2013-2014
Director, Pathology Undergraduate Medical Education	2013-2017
Associate Pathology Residency Program Director, Department of Pathology, Penn State Milton S. Hershey Medical Center	2011-2014
Medical Director, Autopsy Services and Decedent Care Services, Penn State Milton S. Hershey Medical Center	2010-2014
Chief Resident in Anatomic Pathology, Department of Pathology, University of Pennsylvania, Philadelphia, PA	2007

Academic Appointments

Chair and Professor Department of Pathology Northeast Ohio Medical University Rootstown, OH	2017-present
Adjunct Associate Professor Departments of Pathology and Neurosurgery Divisions of Anatomic and Experimental Pathology Penn State Health Milton S. Hershey Medical Center Penn State College of Medicine Hershey, PA	2017-2018
Associate Professor Departments of Pathology and Neurosurgery Divisions of Anatomic and Experimental Pathology Penn State Health Milton S. Hershey Medical Center Penn State College of Medicine Hershey, PA	2015-2017
Assistant Professor Departments of Pathology and Neurosurgery Divisions of Anatomic and Experimental Pathology Penn State Milton S. Hershey Medical Center Penn State College of Medicine Hershey, PA	2010-2015

Certification and Licensure

Fellow of the American College of Healthcare Executives (FACHE)	2024-present
---	--------------

Unrestricted license, Ohio (active)	2017-present
Unrestricted license, Pennsylvania (active)	2009-present
Diplomate, American Board of Pathology Anatomic Pathology and Neuropathology Recertification: 2017	2009-present

Professional Memberships and Activities

American College of Healthcare Executives	2022-present
Pennsylvania Governor's School for the Sciences Campaign President, Board of Directors (2023-present) Board of Directors (2021-present) Chair, Alumni Relations Committee (2021-2024) Class Agent (2018-present)	2018-present
Association for Academic Pathology (formerly Association of Pathology Chairs) President (2025-present) Board Chair, Society of '67 (2025-present) President-Elect (2024-2025) Nominating Committee (2023) Secretary-Treasurer (2022-2024) Society of '67 Board (2022-2024) Chair, Membership Committee (2022-2024) Ad Hoc Membership Definition Committee (2021) Executive Council (2019-present) Advocacy Committee (2019-2023) Undergraduate Medical Education Committee (2018-2022) Chair (2019-2022) Leadership Development and Diversity Committee (2018-present) Co-chair, Mentorship Program for the APC Pathology Leadership Fellows Program (2021-present) Pipeline Development Group member (2017-2020) Forensic Medicine Interest Group (2012-2013)	2017-present
United States and Canadian Academy of Pathology (USCAP)	2017-2019 2024
Society for Pediatric Pathology, member Informatics and Communication Committee, member (2017-2019)	2017-present
Undergraduate Medical Educators Section (UMEDS) of the Association for Academic Pathology (formerly Association of Pathology Chairs) Council, elected Member-at-Large (2016-2018) Nominating Committee (2017)	2016-2018
International Association of Medical Science Educators (IAMSE) IAMSE in Asia Program Planning Committee (2018-2020) Board of Directors (2017-2020) Membership Committee (2015-2021), Chair (2017-2020) Special Nominating Committee (2017) Featured Member on website: January 2017	2014-2024
American Medical Association	2014-present
Mid-Atlantic DIPG (Diffuse Intrinsic Pontine Glioma) Consortium, participant	2013-2017
American Association of Neuropathologists Nominee for President (2024) Secretary-Treasurer (2019-2024)	2009-present

Education Committee (2015-2020)
Awards Committee (2013-2017)

The Pathology Society of Philadelphia	2009-2010
College of American Pathologists Member, Research Panel (2014-2016)	2009-present
American Society for Clinical Pathology Member, Leadership Special Interest Group	2009-2011, 2024-present

Honors and Awards

Faculty Gonfalonian, White Coat Ceremony, Northeast Ohio Medical University	2025
Student Interest Group Faculty Mentor Award nominee, Northeast Ohio Medical University	2024
Keynote speaker, White Coat Ceremony, Northeast Ohio Medical University	2021
Medical Student Hooder, Penn State College of Medicine Commencement Ceremony	2015
H. T. Enterline Fellowship Award, Department of Pathology, University of Pennsylvania, for diagnostic skills, commitment to teaching and scholarly activity	2010
Ronna Lodato Award, Department of Pathology, University of Pennsylvania, for resident teaching	2007
John G. Clark Prize, University of Pennsylvania School of Medicine, for meritorious research in any field	2004
MSTP training grant	1997-2005
Phi Beta Kappa	1997
Visiting Student in Zoology, Oxford University	1995-1996
College Scholar, Cornell University	1994-1997

Committee Assignments and Administrative Services

Executive Review Committee on Academic and Professional Progress, Northeast Ohio Medical University	2025-present
Search Committee, Hematology-Oncology Director, Akron Children's Hospital	2025
Lead, Gene Therapy and Genomics strategy and service line development	2024-present
Credentials Committee, Akron Children's Hospital	2024-present
Capital Budget Workgroup, Akron Children's Hospital	2024-present
LCME Self Study Committee, Northeast Ohio Medical University	2024-present
Chair, Value Analysis Executive Steering Committee, Akron Children's Hospital	2023-present
Value Analysis Workgroups: Periop, Inpatient, NICU, Akron Children's Hospital	2023-present

Supply Chain Workstream Lead for Financial Stewardship Committee, Akron Children's Hospital	2023-present
Code Dark Task Force, Akron Children's Hospital	2023-present
Information Technology Oversight Committee, Akron Children's Hospital	2023-present
Lead, Clinical Transformation Task Force, Akron Children's Health Collaborative	2022-2023
Academic Calendar Task Force, Northeast Ohio Medical University	2022-2023
Bylaws Committee, Akron Children's Hospital	2022-present
Employee Engagement Survey planning team, physician representative, Akron Children's Hospital	2022, 2024
Utilization Management Committee (bed control and reimbursement), Akron Children's Hospital	2022-2023
Executive Leadership Team, Akron Children's Hospital	2022-present
Co-lead, Courier contracting initiative, Akron Children's Hospital	2021-present
Chair, Medical Staff Structure Task Force, Akron Children's Hospital	2021-2022
COVID Steering Committee (Hospital Incident Command Structure team)	2021-2023
Medical Branch, Hospital Incident Command Structure, Akron Children's Hospital	2020-2023
Preclinical Curriculum Subcommittee, Northeast Ohio Medical University	2020-present
Departmental Physician Burnout representative, Akron Children's Hospital	2018-2019
Member, Clinical Effectiveness Steering Committee, Akron Children's Hospital	2018-2022
Co-Lead, Clinical Effectiveness Diagnostic and Therapeutic Care Subcommittee, Akron Children's Hospital	2018-2022
Co-Chair, Curriculum Management and Assessment Committee, Northeast Ohio Medical University	2018-2020
Clinical Information Technology Physician Advisory Group, Akron Children's Hospital	2017-2019
Order Set Committee, Akron Children's Hospital	2017, 2021
SmartSet Committee, Akron Children's Hospital	2017-2020
Laboratory Formulary Committee, Akron Children's Hospital	2017-2022
Medical Performance Improvement Committee, Akron Children's Hospital	2017-present
Medical Staff Executive Committee, Akron Children's Hospital	2017-present
Liaison Committee on Medical Education (LCME) Task Force, Northeast Ohio Medical University	2017-2018
Member, Curriculum Management and Assessment Committee, Northeast Ohio Medical University	2017-2018
Member, M1/M2 Curriculum Committee, Northeast Ohio Medical University	2017-2018
Education Research Review Committee, Penn State	2016-2017

University Park Regional Campus Expansion Team, Penn State	2016-2017
Medical Education Council, Penn State	2017
Member, LCME self-study sub-committee, Penn State	2015-2017
Comparability Group, Penn State	2015-2017
Associate Director, MD/PhD Program, Penn State	2015-2017
Curriculum Leadership Task Force, Penn State	2015
Member, Promotion and Tenure Committee for Non-Tenure Faculty, Department of Pathology, Penn State	2015-2017
Educational Liaison, Department of Pathology, Penn State	2015-2017
Curriculum Leadership Team, Penn State	2014-2017
USMLE Step 1 Task Force, Penn State	2014-2015
Member, Integrated Sciences Steering Committee, Penn State	2014-2017
AMA Grant Advisory Board, Penn State	2014-2015
Member, Academic Campus Team, Penn State	2013-2016
Member, Pathology Executive Committee, Penn State	2013-2017
Chair, Curriculum Steering Committee, Penn State Member 2012-2016	2013-2016
Chair, Pathology Undergraduate Medical Education Committee, Penn State Member 2012-2017	2013-2017
Ex-officio member, CUMED Oversight Medical School Curriculum Committee Penn State	2013-2016
Ex-officio member, CUMED Phase 2-4 Medical School Curriculum Committee Penn State	2013-2016
Member, Dermatology Chair Search Committee, Penn State	2013-2014
Member, Pathology Resident Conference Task Force, Penn State	2013-2015
Member, Pathology Internal Review Task Force, Penn State	2012-2013
Member, Pathology Clinical Incentive Plan Committee, Penn State	2012-2015
Member, Pathology Physician-Scientist Search Committee, Penn State	2012-2015
Member, Pathology Faculty Search Committee, Penn State	2012-2015
Member, MD/PhD Awards Committee, Penn State	2012-2013
Member, Research Campus Team, Penn State	2011-2013
Member, CUMED Phase 1 Medical School Curriculum Committee, Penn State	2011-2013
Participant, Holistic Admissions Workshop from AAMC, Penn State	2011

Member, MD/PhD Steering Committee, Penn State Including Medical Student Selection Committee participation	2010-2017
Member, Visiting Professor Committee, Department of Pathology, Penn State	2010-2017
Member, Residency Program Committee, Department of Pathology, Penn State	2010-2015
Member, Educational Planning Committee, Interesting Case Conference, Anatomic Pathology, University of Pennsylvania	2008-2010
Faculty Interviewer for Medical School Admissions, University of Pennsylvania	2007-2009
Member Organizing Committee, Jarrett Symposium, Department of Pathology, University of Pennsylvania	2007
Resident Representative, Death Module committee: Development of the online death certificate and autopsy consent forms, University of Pennsylvania	2007
Member, Surgical Pathology Subspecialty Transition Committees: design and implementation of the Penn Pathology subspecialty model, University of Pennsylvania	2007
Member, Biomedical Library Advisory Committee, University of Pennsylvania	1998-2005

Educational Activities

Akron Children's Hospital/ Northeast Ohio Medical University

Faculty Mentor, Medical Student Literature Review	2024
Director, Pathology Course, NEOMED	2017-2024
Rotation Director, Pediatric Pathology, NEOMED/Akron Children's Hospital	2017-present
Lecturer – Resident lectures, Summa Health System (6 hours per year)	2017-2020

Previous teaching responsibilities: Penn State College of Medicine

Director of Foundational Medical Sciences, Penn State University College of Medicine In this role I direct all aspects of the preclinical curriculum for the College of Medicine, reporting directly to the Associate Dean for Medical Education	2014-2017
Director of Student-Centered Learning, Penn State University College of Medicine In this role I advised course directors on how to incorporate small group instruction in their courses	2013-2014
Associate Pathology Residency Program Director, Penn State	2011-2014
Co-Director for the problem-based learning (PBL) curriculum for Penn State Hershey College of Medicine In this role I designed and implemented a new PBL curriculum at the College of Medicine which was rolled out in July 2013	2013-2017
Co-Director: BMS 506 Biological Basis of Human Health and Disease, a graduate school seminar course for MD-PhD students	2013-2017
Facilitator – small group sessions – various courses including basic science and humanities	2012-2017

Lecturer – BMS 597D – Pituitary pathology lectures and laboratory (4 hours per year, 2014) (Average enrollment 25 students)

Lecturer – CMBIO 506 – Motor Neuron Disease (2 hours per year, 2013) (Average enrollment 10 students)

Course Co-Director: BMS 506 Biological Basis of Human Health and Disease (2013-2017) (Average enrollment 10 students).

Course Co-Director: CLC 713, CLC 714, CLC 723, CLC 724 – Clinical Learning and Competencies Courses, the problem-based learning (PBL) curriculum for the College of Medicine. (Over 9800 hours of faculty contact hours per year, 2013-2017) (Average enrollment 150 students, each course, 2 courses run concurrently).

Lecturer – CMBMP 711 – Neuropathology Lectures: Muscle Histology, Muscle Clinico-Pathologic Correlates; Muscle Histology Lab; Nerve Histology; Nerve Clinico-Pathologic Correlates; Nerve Histology Lab; and Muscle and Nerve Histology; Histology Review session; exam proctor (8 hours per year, 2010-2017) (Average enrollment over the most recent two years is 145)

Lecturer – NBS 725 – Neuropathology Lectures: Neuronal/Glial Pathology; Neuropathology Case Studies; and Neuropathology Review; exam proctor (5 hours per year, 2010-2017) (Average enrollment over the most recent two years is 145)

Lecturer – REN 728 – Renal Pathology Lectures: Tubulointerstitial Nephritis and Gross Renal Pathology (2 hours per year, 2010-2017) (Average enrollment over the most recent two years is 145)

Lecturer – CMBMP 712 – Renal Pathology Lectures: Urinary Tract Histology; Urinary Tract Clinico-Pathologic Correlates; Urinary System Lab; and Urinary Histology Review (4 hours per year, 2010-2017); Neuropathology Lectures: Pituitary Histology, Pituitary review (2 hours per year, 2011-2017) (Average enrollment over the most recent two years is 145)

Daily Neuropathology teaching for Neurology resident on Neuropathology rotation (one month each)

- William Jens, DO (2016-2017)
- Sarita Said, MD (2016-2017)
- Ning Wu, MD, PhD (2016-2017)
- Angelica Lee, DO (2016-2017)
- Muhammad Niazi, MD (2015-2016)
- Robert Knipe, DO (2015-2016)
- Vitaliy Zhivotenko, DO (2014-2015)
- Aaron Cochran, DO (2013-2014)
- Sarah Strauss, DO (2013-2014)
- Maya Lillyan Lichtenstein, MD (2013-2014)
- Leslie McDougall, DO (2012-2013)
- Palak Shah, MD (2012-2013)
- Divpreet Kaur, MD (2012-2013)
- Cathleen Adams, DO (2011-2012)
- Martine Bernard, MD (2011-2012)
- Gregory Ferenz, DO (2011-2012)
- Two additional residents (2010-2011)

Daily Neuropathology teaching for Neurosurgery resident on Neuropathology rotation

- Sandip Savaliya, MD (2016-2017 for one month)
- Pratik Rohatgi, MD (2016-2017 for one month)
- David McDermott, MD (2015-2016 for one month)
- Justin Davanzo, MD (2015-2016 for one month)
- Russell Payne, MD (2014-2015 for one month)
- Brian Anderson, MD (2014-2015 for two months)
- Pratik Rohatgi, MD (2013-2014 for one month)
- Nick Brandmeir, MD (2012-2013 for two months)

- Einar Bogason, MD (2011-2012 for one month)
- Wonsuk Kim, MD (2010-2011 for one month)
- Omar Zalatimo, MD (2010-2011 for two months)

Weekly Neuromuscular Pathology teaching for Neuromuscular Fellow

- Anahit Mehrabyan, MD (2016-2017)
- Derrece Reid, MD (2014-2015)
- Divpreet Kaur, MD (2013-2014)
- Alexandra Soriano-Caminero, MD (2012-2013)
- Divisha Raheja, MD (2011-2012)
- Sean Burke, MD (2010-2011)

Neuromuscular Pathology core lecture series for Neurology residents

- 2 board review sessions, requested by residents (2012- present)
- 4 lectures and faculty advisor for 10 fellow-run case presentations (2011-present)
- Participated in Neuromuscular Pathology curriculum revision (2011)
- 5 lectures (2010-2011)

Neuropathology core lecture series for Neurosurgery residents

- 5 lectures/teaching sessions (2011-present)
- Faculty coordinator for Neuropathology lecture series (2011-present), including curriculum revision (2011)
- 8 lectures (2010-2011)

Anatomic Pathology Core Curriculum:

- Co-leader for Pathology Resident Core Curriculum revision, including incorporation of Management Curriculum (2011-2012)
- Neuropathology lectures: 2 lectures per year (2010-present)

Brain Cutting: Weekly Faculty Coordinator

- Instituted weekly observation by Neurology medical students, residents, fellows and faculty in order to enhance interdisciplinary approach to patient care and educational value of brain cutting

Pathology Residency Journal Club

- Discussion Leader (2014)
- Discussion Leader (2013)

Thesis committee member:

- Oliver Mrowczynski, MD/PhD 2017, Neural and Behavioral Sciences, mentor: Dr. James Connor
- Yanli Wang, MD/PhD 2017, Bioinformatics, mentor: Dr. James Broach
- Paul Hsu, MD/PhD 2016, Biomedical Sciences, mentor: Dr. Yuguang Shi
- Zeinab Nasrallah, PhD 2015, Human Anatomy, mentor: Dr. Alastair Barber
- Jeffrey Nguyen, MD/PhD 2016, Neural and Behavioral Sciences, mentor: Dr. Roslyn Irby
- Dominique Leitner, PhD 2015, Neural and Behavioral Sciences, mentor: Dr. James Connor
- Cody Weston, MD/PhD 2014, Neural and Behavioral Sciences, mentor: Dr. James Connor
- Christina Zoccoli, MS 2012, Neural and Behavioral Sciences, mentor: Dr. Michael Glantz

Previous teaching responsibilities: University of Pennsylvania:

- Small Group Leader: Endocrine Pathology (2006); Renal Pathology (2006); Gastrointestinal Pathology (2007); Breast and Gynecologic Pathology (2007); Neuropathology (2007-2009)
- Gross pathology demonstrations: Gastrointestinal Pathology (2006); Endocrine Pathology (2007)

- Medical student teaching, Surgical Pathology rotation; solely responsible for scheduling, orienting and supervising the medical student on service, averaging 3 hours/day during chief residency.
- Lecturer: "Introduction to Pathology", House staff and Fellow orientations, Hospital of the University of Pennsylvania (2007)
- Mentor: Pathology 300 course mentor (2009): medical students Jonathan Sham, Sarah Choi, Jennifer Oliver-Krasinski
- Daily teaching of pathology residents, neurology residents, neuroradiology residents and fellows, and medical students daily on month-long rotations in neuropathology (2007-2009)
- Postmortem brain examination sessions, weekly, for medical students, as well as residents, fellows and researchers from the Departments of Surgery, Neurology, Neuroradiology and Psychiatry (2007-2009)
- Neuropathology Case Presentations, biweekly for the students, residents, fellows and faculty of the Department of Neurology (2007-2009)
- Neuropathology Cytology teaching sessions for the Division of Cytopathology, Department of Pathology, monthly (2008).

Grants and Contract Awards

COMPLETED

- | | | |
|--|--------------------------------------|---------------------|
| U01 NS082151 (Huang, X., PI)
NINDS | 09/30/2012 – 08/31/2017
\$901,773 | 0.96 cal mths |
| Title: Multimodal markers of nigrostriatal pathology in Parkinson's Disease | | |
| Role: Co-investigator | | |
| The main goal of this project is to investigate multimodal MRI techniques in combination with fluid-based iron (Fe) protein profiles to serve as in vivo markers for PD-related nigrostriatal pathology, which can be used as biomarkers for diagnosing PD, following its progression, and gaining mechanistic understanding of PD pathoetiology and pathophysiology. | | |
| | | |
| 176642 (Schiff, S., PI)
CURE | 9/1/2015-8/31/2016
\$95,000 | .12 cal months |
| Title: A Murine Model for Preventing Post Malarial Epilepsy | | |
| The main goal of this study is to develop an animal model of postmalarial epilepsy. The initial strain combination of C57BL6 mice with Plasmodium Berghei ANKA gave a high initial mortality rate despite treatment of infection, we have broadened our efforts to screen mouse/parasite strain combinations using 3 types of mice. | | |
| Role: Co-PI | | |
| | | |
| Woodward Education Scholar Award (Level II) (PI: Stuckey, H.)
Penn State | | 2015-2016
\$4500 |
| Title: Implementing and evaluating critical thinking in the year 1 medical student curriculum. | | |
| Role: Co-investigator | | |
| The goals of this project are to implement a critical thinking (CT) course for first year medical students implement and investigate the outcomes of the intervention. | | |
| | | |
| Pathology Internal Research Grant (Baccon, J., PI)
Penn State Department of Pathology | | 2012-2015
\$3800 |
| Title: Elucidation of neuronal connections in a rare case of split cord malformation. | | |
| The goal of the project is to histologically evaluate neuronal connections in a child with a split cord malformation in order to add to our understanding of the internal connections between the two hemicords and the midline bony septum, in terms of dorsal and/or ventral nerve root ganglia, intrinsic spinal cord architecture, and whether the cords are in fact split cords or duplicated hemi-cords. | | |

Clinical Trial Participation

A Phase II Trial of Molecularly Determined Treatment of Children and Young Adults with Diffuse Intrinsic Pontine Glioma

Overall PI: Mark W. Kieran M.D., PhD

Sponsor: Dana-Farber Cancer Institute (DFCI)

Pediatric Oncology Experimental Therapeutics Investigator's Consortium (POETIC) Penn State Hershey Children's Hospital. Contributor and Neuropathology contact at Hershey Medical Center.

- 28) RNA Society Meeting, Seattle, Washington 2006. Carissimi, C., Saieva, L., Gabanella, F., **Baccon, J.** and Pellizzoni, L. Gemin8 is Essential for the Architecture and Function of the SMN Complex.
- 29) RNA Society Meeting, Vienna, Austria, 2003. **Baccon, J.**, Yong, J., Golombe, T., Gubitz, A., Wan, L., Battle, D., Wang, F. and Dreyfuss, G. The SMN complex: an assemblyosome for RNPs.
- 30) MD-PhD Conference, Aspen, Colorado 2001. **Baccon, J.**, Pellizzoni, L., Friesen, W., Charroux, B., Paushkin, S., and Dreyfuss, G. The Molecular Interactions and Metabolic Functions of SMN, the Spinal Muscular Atrophy Disease Gene Product.

Invited Lectures

Modeling Effective Leadership, Association for Academic Pathology, Pathology Leadership Fellowship Program, virtual format	2024
Leadership in Pathology Workshop, American Society of Clinical Pathology, Chicago, IL	2024
North High School Summer Intern Program, Career Speaker, Akron, Ohio	2024
Department of Pathology and Anatomical Sciences and the Jacobs School of Medicine and Biomedical Sciences of the University at Buffalo (UB) State University of New York, 4 th Annual Peter A. Nickerson Honorary Lecture, Buffalo, NY	2024
Allegheny Health Network, Pathology Resident and Fellow Graduation Speaker, Pittsburgh, PA	2024
NorthShore Pathology Grand Rounds, virtual format	2024
Pathology Pipeline. Society of Pediatric Pathology Chiefs and Chairs, New Orleans, LA.	2023
Pathology Leadership in Children's Hospitals. Pathology Leadership Fellowship Program of the Association of Pathology Chairs, virtual format.	2023
Pathology Leadership in Children's Hospitals. Pathology Leadership Fellowship Program of the Association of Pathology Chairs, virtual format.	2022
Pathology Education. Cleveland Clinic Department of Pathology and Laboratory Medicine Grand Rounds, Cleveland, OH.	2022
Neuropathology unknown case presentation for residents. Cleveland Clinic Department Of Pathology and Laboratory Medicine, Cleveland, OH.	2022
Panelist: "Productivity Hacks" Association of Pathology Chairs Pathology Leadership Academy, virtual format.	2022
"The Akron Children's Laboratory Journey During COVID" Akron Children's Hospital Grand Rounds, Akron, OH.	2022
Graduate and Post-Doctoral Career Day Panelist for "Science/Medical Administration" Sessions, Penn State College of Medicine, Hershey, PA.	2019
Neuropathology Review. American Physician Institute, Comprehensive Review of Neurologic and Psychiatric Disorders, Chicago, IL.	2014
Neuropathology unknown case presentation for residents. Thomas Jefferson University, Philadelphia, PA.	2014
Neuropathology Review. American Physician Institute, Comprehensive Review of Neurologic and Psychiatric Disorders, Chicago, IL.	2013

Panelist: Women in Science and Medicine: AMWA Region 3 Conference, Hershey, PA	2013
My Career as an Academic Pathologist, Forensic Science Club Symposium, Penn State University, State College, PA	2013
My Life and Career as a Physician-Scientist, Penn State University MD/PhD Annual Retreat, State College, PA	2013
Neuropathology Review. American Physician Institute, Comprehensive Review of Neurologic and Psychiatric Disorders, Schaumburg, IL.	2012
Neuropathology Review. American Physician Institute, Comprehensive Review of Neurologic and Psychiatric Disorders, Schaumburg, IL.	2011
Digital Imaging in Neuropathology: Past, Present and Future. Neural Engineering Group, Penn State Main Campus, State College, PA.	2011
The Role of Pathologists' Assistants in Graduate Medical Education. Mid Atlantic Pathologists' Assistants Annual Meeting, Lancaster, PA.	2010

Book Chapters

Bacon, J., Rizk, E. and Wellons, E. "Pediatric Peripheral Nerve Tumors" in Tubbs Peripheral Nerve. 3rd ed., Elsevier, 2015.

Other Activities with an Impact on Society

Featured on Witt Kieffer Impactful Leaders Podcast, November 2024.

Featured in article: "Still Fighting." Akron Life. December 2021.

Quoted in article: "Human Subjects. Researchers decry consent proposal." Science. 2016 May 20;352(6288):878-9. PMID: 27199394

Featured Neuropathologist, "Planning for Hope", a documentary about Frontotemporal Dementia". Release date, December 2010.

Evaluator/Reviewer for the Centers of Disease Control (CDC) multimedia kit: Radioactive Terrorism, specifically regarding handling of radioactive decedents.

Journal Review

Academic Pathology – ad hoc reviewer

Archives of Pathology – ad hoc reviewer

International Association of Medical Science Educators – Medical Science Educator – certified reviewer

JAMA Neurology – ad hoc reviewer

Muscle and Nerve – ad hoc reviewer

Neurology Research International – ad hoc reviewer

American Journal of Clinical Pathology – ad hoc reviewer

Professional Development

Akron Children's Hospital, Executive Leadership Succession Planning engagement, 2021.

Personal Executive Leadership Coaching with coach Anthony Panos, 2017.

New Chair's Bootcamp, Association of Pathology Chairs Annual Meeting, Washington, D.C., 2017

Pathology Leadership Academy, Association of Pathology Chairs, San Diego, 2016.

Essential Skills in Medical Education (ESME) Course at the 20th Meeting of the International Association of Medical Science Educators (IAMS), Leiden, The Netherlands, 2016.

Harvard Macy Program for Educators in the Health Professions, 2016.

Personal Executive Leadership Coaching with coach Kedren Crosby, 2015.

Penn State Hershey Leadership Academy, State College, PA, 2015.

Women of Hershey Leadership Conference, Hershey, PA, 2014.

American Association of Medical Colleges (AAMC) Early Career Women Faculty Professional Development Seminar, Washington, DC, 2011.

Penn State Hershey Grants Academy, 2011.

Participant/Student in the Penn State Hershey Medical Center Junior Faculty Development program 2011 – 2012. Mentor: Dr. Russ Scaduto. Project: Pathology Slide Scanning as an Institutional Resource.

CURRICULUM VITAE
Danielle Cooper, MD

Birthplace: Ohio
Citizenship: US

Business address
9500 Mentor Ave. Suite 100
Mentor, OH 44060
440-352-4880
Danielle.Cooper@UHHospitals.org

Home address
7834 Curberry Dr
Mentor, OH 44060
440-537-2874

EDUCATION

UNDERGRADUATE

University of Akron 1993-1995
B.S. Natural Science
Akron, OH
Honors: Golden Key National Honor Society, Presidential Scholar, Cum Lade

MEDICAL/GRADUATE

NEOMED 1995-2000
Doctor of Medicine
Rootstown, OH
Honors: MEFCOM Distinguished Physicians Scholarship, Battle Johnson Scholarship

RESIDENCY

Summa Health System 2000-2003
Family Medicine
Akron, OH
Director – Dr. Richard Hines
Honors: Residency Recruiting Chief, Medical Student Teaching Award

PROFESSIONAL EXPERIENCE

Current Clinical Appointments

2022- present

University Hospitals – Lake County Family Practice
Family Physician

Previous Clinical Appointments

2008-2022

Lake Health Physician Group (merged with UH in 2022)
Family Physician

2003-2008

Lake County Family Practice (joined LHPG in 2008)
Managing partner and Family Physician

Administrative Leadership Position(s)

2015-2024

Lake Health Physician Group
Medical Director for Ambulatory offices

2018-2023

Lake Health Urgent Care
Medical Director

CERTIFICATION and LICENSURE

SPECIALTY CERTIFICATION

American Board of Family Medicine
2003-present

MEDICAL or OTHER PROFESSIONAL LICENSURE:

State of Ohio License
2003-present

AWARDS AND HONORS

Cliff Appreciates, University Hospitals, 2023: Nominated and chosen by UH Leadership for demonstrating Professionalism, Commitment to Value, and/or Advancing “Systemness”.
Physician of the Year, Lake Health, 2021

EDUCATIONAL ACTIVITIES

ALLIED HEALTH PROFESSIONAL EDUCATION

Clinical precepting of allied health professionals

Lake County Family Practice, preceptor for Nurse Practitioner students and Physician Assistant students, 1-2 students per year, 2005 – present,

SERVICE

MEMBERSHIP IN PROFESSIONAL ORGANIZATIONS

American Academy of Family Physicians, 2003-current

Ohio Academy of Family Physicians, 2003-current

American Association for Physician Leadership, 2015-2023

Lake County Medical Society, 2003-2022

MEMBERSHIP IN HOSPITAL OR HEALTH DEPARTMENT COMMITTEES

2024-present

NEOMED Faculty

Clinical Site Director for Family Medicine Rotation at UH-Lake Health

2023-present

University Hospitals Quality Care Network

Board Member

Vice Chair (2025-present)

2023-present

University Hospitals Quality Care Network

Clinical Integration and Transformation Committee

Chairperson

2022-present

Lake PHO

Board Member and Medical Director

2016-2023

Lake Health IPHE

Ambulatory Quality and Utilization Committee

Chairperson

STEPHANIE ERIN GOARE, MD, FACS

WORK EXPERIENCE

OhioHealth Cancer and Surgical Specialists 07/2017 - Present Columbus, Ohio, USA
Breast, Endocrine, and Melanoma Surgeon

Board Certified

Specializing in:

Thyroidectomy, Parathyroidectomy, Minimally invasive parathyroidectomy, and Robotic, Laparoscopic and Open Adrenalectomy.
Breast Conserving therapy and Mastectomy including simple, modified radical, and nipple sparing, lumpectomy, and axillary dissection.

Melanoma and other skin cancers

General Surgery

Riverside General Surgery Residency 07/2019 - Present Columbus, Ohio, USA
Assistant Program Director

Participate in Core Competency Committee to assess resident development and ensure meeting of key milestones throughout training

Assist in growth and development of resident education including participation in weekly education sessions

Attend weekly M&M conferences

Interview potential candidates for residency positions

Participate in Mock oral board exams in order to prepare residents for certification exams

Mentor residents and medical students to help guide throughout their education and beyond

Garrett Popcorn Shops 06/2006 - 06/2007 Chicago, Illinois, USA
Mail Order Processing and Secretary

Answering Company Phones ▪ Processing Mail Orders from online and call-center database ▪ Communicating with customers regarding orders ▪ Creating Mailing Labels for orders to be packaged ▪ Organizing customer databases ▪ Inputting customer orders into system ▪ Communicating with warehouse to ensure processed orders are shipped appropriately

University of Dayton 08/2004 - 05/2006 Dayton, Ohio, USA
Teaching Assistant for Engineering course in Material and Energy Balances

Grading Homework Assignments ▪ Grading Tests ▪ Tutoring ▪ Teaching Problem Sessions

EDUCATION

The Alfred Hospital 07/2016 – 06/2017 Melbourne, Victoria, Australia
Breast and Endocrine Surgery Fellow

Provisional Registration with the Australian Health Practitioner Regulation Agency (AHPRA)

One year fellowship program with focus on Breast and Endocrine surgery but including all realms of general surgery and trauma experience

Training in Thyroidectomy, Parathyroidectomy, Minimally invasive parathyroidectomy, Laparoscopic and Open Adrenalectomy, Mastectomy including simple, modified radical, and nipple sparing, lumpectomy, and axillary dissection.

Active role in education of residents, interns, medical students, and nursing students

Leader of Breast multidisciplinary meeting, pathology conference, weekly audit, and endocrine database entry

Riverside Methodist Hospital

06/2011 - 06/2016

Columbus, Ohio, USA

General Surgery Residency

Surgical cases assisted/performed: 1700

Endocrine cases completed: 103 Thyroid/Parathyroids, 6 Open adrenalectomy, 15 Whipple procedures, 19 Distal pancreatectomy (laparoscopic, robotic/open), 62 Breast cases

Trained in Robotic surgery including traditional and single site. Completed 13 robotic surgeries including paraesophageal hernia, Nissen fundoplication, distal pancreatectomy, splenectomy, and cholecystectomy

Medical College of Wisconsin

07/2007 - 05/2011

Milwaukee, Wisconsin, USA

Doctorate of Medicine

Clinical Research Assistant- Summer 2008

Shadowed and assisted the Plastic and Reconstructive Surgery department. Presentation on Madelung Syndrome, Case report on Popliteal Artery Entrapment Syndrome.

American Red Cross CPR/AED Professional Rescuer and Trainer- Spring 2008-Spring 2009

Secretary, Plastic/Reconstructive Surgery Interest Group- Fall 2008- Spring 2009

University of Dayton

08/2002 - 06/2006

Dayton, Ohio, USA

Bachelor of Chemical Engineering ▪ *Bioengineering and Pre-medical Minors*

Magna Cum Laude ▪ University Scholars Program/ President's Scholarship ▪ Order of the Engineer

Tau Beta Pi Engineering Honors Society ▪ Flitcraft Award for Community Service

Victor Emanuel Award for Outstanding Senior in Chemical Engineering

Collegiate All-American Scholar Program/ National Collegiate Engineering Award

Raymond L. Fitz Award for Outstanding Sophomore in Chemical Engineering

AWARDS

William Knerr, MD General Surgery Faculty Teacher of the Year 2018-2019

General Surgery Resident Research Award, 2nd place 2013-2014

Family Medicine Interdisciplinary Resident Teacher of the Year 2012-2013

CERTIFICATIONS

Basic Life Support

Advanced Cardiac Life Support

Advanced Trauma Life Support

Advance Burn Life Support

Fundamentals of Laparoscopic Surgery

CURRENT GRANT SUPPORT

1. Anthem Blue Cross Blue Shield Foundation Grant
Spirit of Motherhood Program for Pregnant Black Women
Role: Collaborating Physician on the grant in partnership with Kent State University.

PRIOR GRANT SUPPORT

1. State Funding
Infant Mortality Reduction

This project will work to combat the problem of African-American infant mortality in the city of Akron through various programs and projects, including weekly wellness circles for expectant families, infants and family members. The funding allows for an expansion of Summa's Centering Pregnancy® programs and offer CenteringParenting® at primary care services in the priority zip code locations.

Role: Co-Investigator.

2. Research Program Grant
Women's Endowment Fund

This project will work to combat the problem of African-American infant mortality in the city of Akron through various programs and projects, including weekly wellness circles for expectant and new parents. We plan to expand Summa's Centering Pregnancy® programs by offering CenteringParenting® at primary care services in the priority zip code locations.

Role: Co-Investigator

STAFF POSITIONS (*) AND ASSOCIATED ACADEMIC APPOINTMENTS(+)

- *Staff Pathologist, Akron Children's Hospital Dept of Pathology (August 2019-Present)
- *Director, Laboratory, Akron Children's Mahoning Valley Laboratory, (11/20-Present).
- *Medical Director, Akron Children's Blood Bank/Transfusion Medicine Service (2/1/22-Present).
 - +Clinical Professor-Pathology-Northeast Ohio Medical University, (7/20-Present)

- *Staff Pathologist, Pathology Consultants LLC. Youngstown, OH (August 2002-July 2019); with active service responsibilities in ALL AP/CP areas/specialties (General Pathology).
- *Chair, Dept. of Pathology, St. Elizabeth Health Center (2/08-2/13)
- *Vice Chair, Dept. of Pathology, St. Elizabeth Health Center (11/03-1/08)
 - +Clin. Asst Prof -Pathology, Northeastern Ohio Universities Coll. of Medicine, (12/02-3/12)
 - +Clin. Assoc. Prof-Pathology, Northeast Ohio Medical University (3/12-6/20)
 - +Adjunct Clin Asst. Prof, Pathology, Lake Erie Coll. of Osteopathic Medicine, (3/12-8/19)

- *Staff Pathologist, Butler Memorial Hospital, Butler PA, (October 1998-July 2002)
- *Consultant, Pathologist, Butler Veteran's Administration Hospital, (April 1999-July 2002)

- *Staff Pathologist, The Ohio State University Hospital Medical Center and The Arthur G. James Cancer Hospital and Research Institute (April 1994-October 1998)
 - AP/CP Pathologist with responsibilities in Cytology, Microbiology, Immunology, Hematology, Coagulation, Flow Cytometry and DNA/Image Laboratories, Blood Bank, Apheresis, and Autopsy Service
 - Director of Apheresis Unit and Blood Banking Residency Education (1994-1997)
 - Director of Transfusion Medicine Fellowship Education (1994-1997)
 - Director of Cytology Residency Education and Cytology Quality Assurance (1997-1998)
- *Courtesy Staff, Memorial Hospital of Union County, Marysville, OH (AP/CP duties) (May 1995 - October 1998); affiliate of Ohio State University Hospitals Dept. of Pathology
 - +Asst. Professor of Pathology (Clinical), The Ohio State University Hospitals and Clinics, Columbus, Ohio (April 1994-October 1998)

- *Staff Pathologist, Albany Medical Center, Albany, New York (July 1993-April 1994)
 - +Asst. Prof. of Path and Hem/Onc, Albany Med College, Albany, NY (July 1993-April 1994)

EDUCATION

Northeastern Ohio Universities College of Medicine (Now-Northeast Ohio Medical Univ.)
Rootstown, Kent, Akron, Canton, Youngstown, Ohio
May 1987 - M.D. (August 1983-May 1987)

Youngstown State University, Youngstown, Ohio
(1981-1985) - Magna Cum Laude/Phi Beta Kappa
B.S. Chemistry/Physics/Biology (Combined Sciences), August 1985

Liberty Local Schools, Liberty Township, Youngstown, Ohio
(1968-1981) - Valedictorian, June 1981

POSTGRADUATE EDUCATION

Transfusion Medicine Fellowship (July 1992- June 1993)

The Ohio State University Hospitals, Columbus, Ohio (Training included: Hospital Blood Banking, Apheresis, Peripheral Blood Stem Cell Collection(s)-OSU University Hospitals and Pediatric Blood Banking-Columbus Children's Hospital [Dr. Linda Chambers] and Blood Center Training-American Red Cross, Central Ohio Region-Columbus, OH [Dr. M. Wissel and Dr. Ng])
Dr. J. Blazina and Dr. M. Kennedy [Program Directors]

Fifth Year Pathology Residency Year/Fellowship (July 1991- June 1992)

Vermont-New Hampshire American Red Cross and University of Vermont College of Medicine
Dr. P. Howard and Dr. R. Westphal

University of Vermont, Vermont College of Medicine, Medical Center Hospital of Vermont (July 1989- June 1991)

Resident (PGY 3-4) - Anatomic and Clinical Pathology
Dr. J. Craighead

Cleveland Clinic Foundation (July 1987- June 1989)

Resident (PGY 1-2) - Anatomic and Clinical Pathology
Dr. G. Hoffman

PROFESSIONAL MEMBERSHIPS

College of American Pathologists (CAP) - Fellow
American Society for Clinical Pathology (ASCP) - Fellow
AABB
USCAP-Member
Pennsylvania Medical Society
Pennsylvania Association of Pathologists
Lawrence County Medical Society
Mahoning County Medical Society
Ohio State Medical Association
Society for Pediatric Pathology-Member

LICENSES

National Board of Medical Examiners (Diplomate, 1988)
Vermont State License (42-0008089) (Current)
Member of Vermont State Medical Board
Ohio State License (35-063701) (Current)
Member of Ohio State Medical Board
New York State Medical License (193014) (Current)
Pennsylvania Medical License (MD-066272-L) (Current)
DEA (BJ-4287579) (Current)

BOARDS

American Board of Pathology – Hematopathology
Subspecialty Boards Certification (S-99-215; August 13, 1999)

American Board of Pathology - Transfusion Medicine
Subspecialty Boards Certification (SQ-003; May 31, 1994)

American Board of Pathology
Combined AP/CP Certification (November 5, 1992)

National Board of Medical Examiners
Diplomate (April 1988)

Ohio State University Hospitals Transfusion Service "Pathology Resident On-Call" Manual (1st edition) March 1993, Updates November 1994, July 1996, July 1999.

TEACHING EXPERIENCE

Pathology Laboratory Instructor (General and Systemic Pathology) 1989-1992 University of Vermont College of Medicine

Colloquium Group Leader (General and Systemic Pathology)
1990, 1991 University of Vermont College of Medicine

Pathology Course Lecturer-(University of Vermont 1989-1992)
-Systemic Pathology Course, University of Vermont College of Medicine: (Fall 1989)
Adrenal Glands-Functions included:
Syllabus compilation, Course outline compilation, Test compilation

-(Fall 1990) Parathyroid Glands - Functions included:
Syllabus compilation, Course outline compilation, Test compilation

Pathology 101 Allied Science Course (Univ. of VT Allied Health School)
Fall 1990 - Breast - Syllabus, Course outline, Test Compilation
Fall 1991 - Infection - Syllabus, Course Outline, Test Compilation

Transfusion Associated Graft Versus Host Disease - University of Vermont Medical Technology, Immunohematology Seminar Course (MEDT 269), September 1991

Clinical Instructor-Ohio State University Medical School Systemic Pathology Course (1992-1993)

Clinical Instructor-Ohio State University Pathology Residency Program (1992-1993)

Instructor -Central Ohio American Red Cross Specialty in Blood Banking Program (1992-1993)

Instructor-Albany Medical College - General and Systemic Pathology Course (1993-1994)

Instructor
Albany Medical Center School of Cytotechnology (1993-1994)
Albany Medical Center School of Medical Technology (1993-1994)

Assistant Professor, Clinical (Ohio State University, 1994-1998)
Ohio State University- Pathology 650, 1994, 1995, 1996, 1997, 1998 Optometry School
(Hematology (WBC, RBC) subsection, Liver, Gallbladder, Pancreas subsection)

Ohio State University- Pathology 505, 1994, 1995, 1996, 1997 Allied Health

Ohio State University- Pathology 550, 1994, 1995 Allied Medical Health

Ohio State University- Pathology 792.20 (Topics in Clinical Pathology) Blood Banking Spring 1994

Ohio State University- Pathology 792.20 (Clin Path Readings) Blood Banking - Spring 1997-
Course Director

Ohio State University- Pathology 792.20 (Readings in Clinical Pathology) Hematology and Coagulation Winter/Spring 1995, Winter/Spring 1998

Seminars in Transfusion Medicine (Summer Freshman Medical School course and Winter Quarter Course 1995-1996)

TEACHING EXPERIENCE (Con't)

Behavioral Sciences Mini-Module: Safety of Donors for Transfusion and Transplantation, Winter 1996, Spring 1997.

Pathology 655; General Pathology Course, O.S.U. Dental School, Winter Quarter 1996, Winter Quarter 1997, Winter Quarter 1998 Hematology, Liver/Biliary Disease Subsections (Lecture, Syllabus Preparation, Test Question Preparation).

Med II Pathology Course O.S.U. Medical School (Pulmonary Subsection 1994, 1995, 1996, 1997; Adrenal 1996, 1997, 1998; Liver I/II-1996, 1997, 1998)

Ohio State University Medical School - Introduction to Clinical Medicine Course (1994, 1995, 1996, 1997)

Ohio State Univ. Medical School - Clinical Skills Requirement Course 1994, 1995 (Fall).

Director (Pathology Subdivision) - Introduction to Clinical Medicine Course O.S.U. Medical School (1994-1997).

Nomination-Outstanding Student Organization Advisor Award (Pathology Interest Group); Northeastern Ohio Med. Univ.; 2017 Student Leadership Awards Program (April 2017).

Commencement Hooder-Northeast Ohio Medical University College of Medicine. Conferred by the Class of 2019. May 18, 2019 [Commencement Ceremony]

Commencement Hooder-Northeast Ohio Medical University College of Medicine. Conferred by the Class of 2020. May 2020 [Commencement Ceremony]

Commencement Speaker-Akron Cooperative Medical Laboratory Science Program. Elected by the Class of 2020. July 9, 2020 [Commencement Ceremony].

Commencement Speaker-Akron Cooperative Medical Laboratory Science Program. Elected by the Class of 2021. July 15, 2021 [Commencement Ceremony].

Commencement Speaker-Akron Cooperative Medical Laboratory Science Program. Elected by the Class of 2022. July 14, 2022 [Commencement Ceremony].

Commencement Speaker-Akron Cooperative Medical Laboratory Science Program. Elected by the Class of 2024. July 11, 2024 [Commencement Ceremony].

COMMITTEE MEMBERSHIPS

NEOUCOM; B.S./M.D. Admissions/Interview Committee (1998-2012); Y.S.U. Campus

Northeastern Ohio Universities College of Medicine Admission Committee-Direct Entry Admissions (2005-2012)

Northeastern Ohio Universities College of Medicine – Alumni Association Board Member (1999-2005)

American Society for Clinical Pathology-Board of Registry (2000-2008)

-Blood Bank Examination Committee Member-(2000-2008)

-Blood Bank Examination Committee; Chair of Committee-(2005-2008)

OTHER PROFESSIONAL ACTIVITIES

Director Residency Education-Blood Bank/Transfusion Medicine (O.S.U. 1994- 1997)

Director, Fellowship Program Education, Trans Med/Blood Banking(O.S.U. Hosp. 1994-1997)

Medical Advisor, Ohio Society of Cytology, 1995-1997

Northeastern Ohio Univ. College of Medicine Alumni Assoc.-Member(1996-Present)

Northeastern Ohio Universities College of Medicine Alumni Association- Board Member
(Class of 1987) (1999-2005)

Youngstown State University Alumni Association (Lifetime Member) (1998-Present)

Board Member, Ohio Society of Cytology (1997-1998)

Ohio State University Cytology Fellowship Program Application/Outline, Author (1997-1998)

Ohio Association of Blood Banks, Board Member (1996-2000)

Ohio State University College of Medicine - Faculty Advisor (Med I students) (1996-1998)

Albany Medical College - Faculty Advisor (Student Advisor) (1993-1994)

Albany Medical College-Medical School Admissions Committee Member and Interviewer (1993-1994)

Chief Resident (MCHV-University of Vermont Pathology Program) March 1990 – March 1991

College of American Pathologists Inspector and Team Leader (Inspector #364573) (Current)

Eyecare Mission; (VOLUNTEER) La Libertad, El Salvador; February 2001
(February 2-11, 2001)

NEOMED Med II Pathology/Laboratory Medicine Case Studies Course - (Developer). 2016 (Summer)
including clinical/Laboratory Medicine Case(s) development

NEOMED Med II Pathology General Pathology Course Developer. 2013 Including website, PODCASTS,
Lectures, and Computerized (interactive) case development. Also includes Pathology/Histology computerized
case review with slides and case histories.

Akron Children's Hospital-CME Committee, Member (2020-)

Akron Children's Hospital-Library Committee, Member (2020-)

Association for the Advancement of Blood and Biotherapies (AABB): Pediatric Transfusion Medicine
Subsection/Committee (Work Group), Member (2023-)

Association for the Advancement of Blood and Biotherapies (AABB): Clinical Hemotherapy

 - **Academic Section chair**, 2001-2013.
 - Webmaster, 2002-2009.
 - **President**, 2000-2001.
 - President-elect, 1999-2000
 - **Northeast Ohio District Director**, 1997-1999.
 - Public Health Combined Conference planning committee member, 1999-present. **Academic presentation session coordinator**, 2002-2022.
 - Northeast district branch conference planning committee member, 1997-2000.
- Association of Teachers of Preventive Medicine, 1997-2006. Name changed to Association of Prevention Teaching and Research, 2006-present.
 - Annual meeting planning committee member, 2007-present.
 - Fellowship Program reviewer, 2000-2002, 2013.
- Health Policy Institute of Ohio Research Advisory Committee, 2006-2008.
- American Public Health Association, member, 1994-present.
- American College of Preventive Medicine, member, 1997-present.
- Ohio Department of Health Title X Family Planning Advisory Council, July 2003-2007.
- **Site visitor** for the Council on Education for Public Health, 1998-present.
- American Association of Public Health Physicians, 1998-2008.
- Kent State University search committee, Health Education Department, fall 2000-spring 2001. Second faculty search committee, 2004.
- Ohio Department of Health Development Workforce Development Committee and Curriculum Working Group member, 2000-2002.
- National Mammography Quality Assurance Advisory Committee member (Center for Devices and Radiological Health, Food and Drug Administration), 1999-2002.

- The Ohio State University Community Access to Resources and Educational Services (CARES) advisory team, 1998.
- American College of Obstetricians and Gynecologists, Junior Fellow, 1990-1998. Associate Member 2000-2004.

Teaching Activity at Northeast Ohio Medical University & Consortium Universities

- Health Systems, **course director**, 2025.
- Population, Public, and Determinants of Health (COGS), **course director**, Master of Leadership in Health Systems Science program, fall 2021-present.
- Population Health (M1), **co-dyad leader**, summer 2021- 2023. Course reconfigured; to be replaced in May 2025 as Health Systems.
- Population Health (M1), **interim co-dyad leader**, summer 2020.
- Health Systems and Community 1, 2, 3, & 4 (M1 and M2), **co-director**, July 2019-May 2021 (courses discontinued in curriculum transformation).
- Health Resources and Services Administration (HRSA) Primary Care Training and Enhancement (PCTE) Program fellowship **quality improvement module director**, 2018-2022 (lectures/training generally on the first Thursday of the month).
- ACM Quality Improvement course (M4), **co-director**, July 2017-June 2018. **Quality Improvement (M4), Course director**, July 2018-present.
- M3 preceptor for M3 exploratory experience. Monal Desai--lifestyle medicine. January-February 2013.
- NEOMED Summer Community Health Practicum, **co-course director**, 2013. An inter-university course (The University of Akron, Kent State University, Youngstown State University) for BS/MD students that explores community issues and advocacy.
- NEOMED Community Experience course, **course co-director**, 2012-2018. **Course director**, 2018-2019. An inter-professional course over the first year for medical and pharmacy students.
- MPH Capstone Project I, **course director**, 2012-present. Taught every semester.
- Summer Health Institute ("Disease Transmission"), Cleveland State University, 6/24/09, 6/21/10, 6/20/11, 6/19/12, 6/13/13.
- MPH Public Health Practice and Issues, **course coordinator and instructor**, 2007-present (for public health biology, communications, and diversity and cultural considerations—taught topics vary by semester). Taught every summer and spring semester. Developed course and syllabus; course won **Delta Omega Innovative Public Health Curriculum Award**, 2007.
- MPH Practicum, Independent Study, and Capstone Course preceptor for master of public health students, 2007-present. Courses offered every semester.
- Health Communications ("Communication in Public Health"), The University of Akron, 10/31/06, 10/29/09, 2/17/11, 2/28/12.
- NEOMED On Doctoring, Family and Community Medicine (formerly Behavioral and Community Health Sciences instructor) as small group facilitator, January 2006-present.
 - Prologue session leader, fall 2012.
 - **Coordinator** for community experience blocks I, II, and III, 2011-2012.
 - Depression and Suicide Prevention, small group facilitator, 2009, 2010.
 - M3 PACE Synthesis faculty facilitator, 2009.
 - Cultural Competency lecture, 2008.
 - Diagnostic Testing workshop, 2007, 2008.
- MPH Public Health Concepts, **course co-director**, 2005-2007; **course director**, 2008-present. Course taught every fall; taught every summer and fall since 2012.
- MEDCAMP physician advisor, 2005, 2007.
- On Professionalism (public/community health session), 2/6/03, 2/5/04.
- Community Health Practicum/Summer Practicum, group facilitator, 1999-2008 (each year); 2011.
- Medical Problems, group facilitator, 1998-2004 (each year).
- Integrative Seminar and Capstone Essay Project essay evaluator 1997-2002 (each year).
- Family Medicine Clerkship—evidence-based medicine presentations commenter, 1997-present (each year).
- Integrated Life Sciences Seminar ("Perspectives—exploration of cultural diversity"), Kent State University, 1997-2010 (each year).
- Healthcare Delivery Systems (Two lectures—"Careers in Public Health" and "Community Health

Issues”), The University of Akron, 1997-present. Co-presenter with C. William Keck, MD, MPH. Offered every spring.

Teaching Activity at Other Institutions

- HPE-175-S01 Epidemiology: Measuring Health, 3-semester credit undergraduate course, Baldwin Wallace College, spring 2012.
- Healthcare executive MBA class lecture (“Public Health—Where It’s Been and Where It’s Headed”)—Baldwin Wallace College, 2008-2010.

Grants

- Summer Research Fellowship Program at Northeast Ohio Medical University, “Increasing Cervical Cancer Screening Rates at the International Community Health Center.” Funds for summer 2025, \$3,000 for one student. Continuation of project for student who also did a root cause analysis exercise on why the cervical cancer screening trend has decreased for the International Community Health Center spring 2025.
- Intra-partner Research Program of Consortium of Eastern Ohio Master of Public Health. “Exploration to Establish a Network to Help Lake County Seniors Age in Place.” Funds for 1/1/25-6/30/26, \$5,000. Principal investigator.
- Summer Research Fellowship Program at Northeast Ohio Medical University, “Investigating clinical services structures for Christine’s Hope.” Funds for summer 2024, \$3,000 for one student.
- Intra-partner Research Program of Consortium of Eastern Ohio Master of Public Health. “Promoting transportation options in Lake County and Creating a Network of Public Health Champions.” Funds for 1/1/4-6/30/25, \$5,000. Principal investigator.
- Summer Research Fellowship Program at Northeast Ohio Medical University, “Training Video on How Healthcare Providers Can Create a Welcoming Environment for Hispanic Patients.” Funds for summer 2023, \$3,000 for one student.
- Intra-partner Research Program of Consortium of Eastern Ohio Master of Public Health. “Positive public health messaging for local health departments.” Funds for 1/1/23-6/30/24, \$2,500. Principal investigator.
- Submitted 6/1/22—Health Resources and Services Administration Public Health Scholarship Program—Consortium of Eastern Ohio Master of Public Health, \$1.5 million over 3 years. Not awarded.
- Northeast Ohio Medical University translational research award (strategic initiative), “Development of a protocol for ballroom dance therapy in Parkinson disease,” \$15,000, 4/20/22-4/19/23. With co-principal investigator Sheila Fleming (and Lynda McPhail).
- Summer Research Fellowship Program at Northeast Ohio Medical University, “Communication for Influence—Using Best Practices to Convince Others.” Funds for summer 2022, \$3,000 for one student.
- Summer Research Fellowship Program at Northeast Ohio Medical University, “Assessing health equity in Portage County.” Funds for summer 2021, \$6,000 for two students.
- Northeast Ohio Medical University Education Innovation Award, “Bringing Peer Instruction to Life Using Videos,” \$2448, 12/1/2020-12/1/2021.
- Summer Research Fellowship Program at Northeast Ohio Medical University, “Addressing obesity in Portage County through community health improvement plan objectives.” Funds for summer 2020, \$3,000 for one student.
- Summer Research Fellowship Program at Northeast Ohio Medical University. “Evaluating the Social Media Boosted Poll Feature for Surveying Older Adults in Northeast Ohio.” Funds for summer 2020, \$3,000 for two students.
- Intra-partner Research Program of Consortium of Eastern Ohio Master of Public Health. “Piloting survey methods on older adults using the topic of social isolation in cross-jurisdictional Ohio health districts.” Funds for 1/1/20-12/31/20, \$5,000.
- Summer Research Fellowship Program at Northeast Ohio Medical University, “Developing recommendations of adapting the American Disabilities Act to a pediatric population.” Funds for summer 2019, \$2,500.
- Intra-partner Research Program of Consortium of Eastern Ohio Master of Public Health. “Expanding public health social media messaging through local health department and academic collaboration.” Funds for 1/1/19-12/31/19, \$5,000.

- Summer Research Fellowship Program at Northeast Ohio Medical University, “Finding a Fetal Alcohol Spectrum Disorders (FASD) Screening Tool for Youths.” Funds for summer 2018, \$2,500.
- Intra-partner Research Program of Consortium of Eastern Ohio Master of Public Health. “Integrating community-based projects into public health core curriculum.” Funds for 1/1/18-12/31/18, \$10,000.
- Summer Research Fellowship Program at Northeast Ohio Medical University, “Defining the Opiate Problem in Carroll County.” Funds for summer 2017, \$2,500.
- Health Resources & Services Administration through St. Elizabeth Health Center, “Residency Training in Primary Care.” Total funds \$20,000, 6/1/13-9/30/13.
- Health Resources & Services Administration, Primary Care Training and Enhancement Interdisciplinary and Interprofessional Joint Graduate Degree Program--“Enhancing integration of public health content into medical education”—total funds requested over five years \$1,490,369 (2012-2017)—not funded; principal investigator.
- Akron BioInnovation Institute of Akron (ABIA). Centers for Disease Control and Prevention, Community Transformation Grant—“Inventory of Public Health Evaluation Capacity in Summit County, Ohio,” 9/1/11-9/30/12, \$5,295. Subcontract with ABIA.
- Case Western Reserve University (from the Robert Wood Johnson Foundation)-- “Direct Observation of Local Public Health: prevention, investigation, intervention and communication related to foodborne illness in Ohio,” 1/1/12-12/31/12, \$11,000; principal investigator.
- Health Resources and Services Administration Public Health Training Centers Cooperative Agreement Program, 9/1/10-8/31/13, \$33,500 per year. Subcontract investigator with The Ohio State University for Public Health Academy (public health workforce development); principal investigator. Workshops on Meyers-Briggs Type Indicator, communications, and other requested topics conducted at local public health departments, including Zanesville-Muskingum County Health Department, Allen County Health Department, Geauga County Health District, Columbus Public Health, Kenton Hardin Health Department, Mahoning County District Board of Health, Delaware General Health District, and other northeast Ohio health departments.
- Ohio Department of Health Curriculum Development grant—“ODH Evidence-Based Public Health Practice,” 6/21/10-8/16/10, \$5400. Subcontract investigator with The Ohio State University; principal investigator.
- Consortium of Eastern Ohio Master of Public Health Intra-partner Research Program—“Developing a Sustainable Public Health Academy,” 1/1/10-6/30/11, \$5,000; principal investigator.
- Northeastern Central Ohio Region Hospitals--Training and Education grant, 8/9/08-8/8/09 (extension from previous grant), \$5,613 from the Northeastern Central Ohio Region Hospitals. Subcontract principal investigator with University of Findlay.
- Northeastern Central Ohio Region Hospitals--Training and Education grant, 9/1/07-8/8/08 (extension from previous grant), \$13,516 from the Northeastern Central Ohio Region Hospitals. Subcontract principal investigator with University of Findlay. Extension into 2009.
- Northeastern Central Ohio Region Hospitals--Training and Education grant, 6/1/07-8/31/07, \$4,500 from the Northeastern Central Ohio Region Hospitals. Subcontract principal investigator with University of Findlay.
- Public Health Workforce Scholarship Program, subcontract investigator with The Ohio State University, 4/22/06-12/31/06, \$3,500, from the Department of Administrative Services.
- Public Health Workforce Curriculum Development and Implementation Program, subcontract investigator with The Ohio State University, 4/22/05-6/30/06, \$38,000, from the Department of Administrative Services; principal investigator.
- Public Health Workforce Scholarship Program, subcontract investigator with The Ohio State University, 4/22/05-12/31/05, \$3,000, from the Department of Administrative Services; principal investigator.
- Continuation of Funding for the Breast and Cervical Cancer Project (for the Akron Health Department), 6/30/03-6/29/04, \$141,724 from the Ohio Department of Health; principal investigator.
- Continuation of Funding for the Breast and Cervical Cancer Project (for the Akron Health Department), 9/30/02-6/30/03, \$103,074 from the Ohio Department of Health; principal investigator.
- Continuation of Funding for the Breast and Cervical Cancer Project (for the Akron Health Department), 9/30/01-9/29/02, \$128,575.36 from the Ohio Department of Health; principal investigator.
- Expanding Breast Cancer Screening Capacity in Summit and Portage Counties (for the Akron Health Department), 2000, \$20,067 from the Northeast Ohio Susan G. Komen Breast Cancer Foundation;

principal investigator.

- Expanding Breast Cancer Screening Capacity in Stark and Wayne Counties (for the Akron Health Department), 2000, \$10,000 from the East Central Ohio Chapter, the Susan G. Koman Breast Cancer Foundation; principal investigator.

Dean's List, All Semesters, Malone University

Regional and National Presentations, Publications, and Research

“Overcoming Obstacles: Ensuring Long-Lasting Success in Direct Observation Evaluations.”

Joel Rayl, MEd, Katie Tatar, MD, and Bradley Moore MD.

Poster presented at Academic Internal Medicine Week (AIM), April 2025; New Orleans, LA.

“Overcoming Obstacles: Ensuring Long-Lasting Success in Direct Observation Evaluations.”

Joel Rayl, MEd, Katie Tatar, MD, and Bradley Moore MD.

Poster presented at ACGME Annual Educational Conference, February 20–22, 2025; Nashville, TN.

“A case of doxycycline associated pancreatitis.”

Renate Gyenge, DO, Thomas Wright, MD, and Bradley Moore MD.

Poster presented at NEOMED Internal Medicine Research Day, May 2022; Rootstown, Ohio.

“Guillain-Barre and Miller Fisher overlap syndrome: A masked neurological consequence of COVID-19.”

Reha Rabanni, Stephen Vetter, DO, and Bradley Moore MD.

“Putaminal hemorrhage takes out tics.”

Sarah Richards, MD, Raman Marwaha, MD, and Bradley Moore, MD.

Poster presented at National American Psychiatric Association, Virtual Meeting, May 2021

“Splenic infarcts in a sickle cell trait patient following acute stressors.”

Shivani Shah, BS, Kathy WU, BS, and Bradley Moore MD.

Published at Hospital Medicine 2020, Virtual Competition. Abstract 1033. Journal of Hospital Medicine.

“Fulminant liver failure in the setting of mushroom poisoning.”

Mansoor Assaad, MD, Scott Hoffman, DO, and Bradley Moore MD.

Paper presented at virtual ACP National Meeting, April 2020

“Acute valproic acid toxicity requiring a unique therapeutic approach.”

Joseph Cataline and Bradley Moore MD.

Poster presented at Ohio ACP Meeting, October 2018; Columbus, OH.

“Acute isoniazid toxicity: An uncommon cause of metabolic acidosis requiring a unique treatment.”

Brian Hom MD and Bradley Moore MD.

Poster presented at Midwest SGIM, September, 2017; Chicago, IL.

“Solitary cerebellar hemangioblastoma in a patient with a history of clear cell renal cell carcinoma.”

Isaac Kim and Bradley Moore MD.

Poster presented at Midwest SGIM, September, 2017; Chicago, IL.

“Therapeutic Hypothermia for out of hospital cardiac arrest – a case report.”

Elise Brady, MD, and Bradley Moore MD.

Poster presented at NEOMED Internal Medicine Research Day; May 21, 2017; Rootstown, OH.

“Leveraging GME to address an institutional patient care quality goal – Reduction in emergency department boarding times attributable to Internal Medicine residents”

David Sweet, MD, Troy Bishop, MD, Stephanie Zaugg DO, PharmD, Rex Wilford, DO, RPH, Bradley Moore MD, Anand Brahmbhatt.

Poster presented at ACGME Annual Educational Conference, March 9, 2017; Orlando, FL

“Spontaneous pneumomediastinum: An alarming finding but a benign diagnosis.”

Akaansha Ganju, and Bradley Moore MD.

Oral Presentation at Midwest SGIM, September 2016; Cleveland, Ohio.

Poster Presented at Ohio ACP, October 2016; Columbus, Ohio.

“Improved efficiency in evaluation of Internal Medicine patients being admitted from the emergency department”.

David Sweet, MD, Stephanie Zaugg, DO, PharmD, Rex Wilford, DO, RPH, Bradley Moore, MD, Lynn Clough, PHD.

Poster presented at Association for Hospital Medical Education; May, 2016; Fort Lauderdale, FL.

“Enhanced resident accountability as a means to improve performance on the ABIM certifying examination.”

David Sweet, MD, Rex Wilford, DO, Bradley Moore, MD, Lynn Clough, PhD.

Poster presented at APDIM Spring Conference, April 2016; Las Vegas, NV

“Ischemic stroke associated with severe hypertriglyceridemia.”

Audra Krebs, MD, and Bradley Moore MD.

Poster presented at NEOMED Internal Medicine Research Day; May, 2016; Rootstown, OH.

"Adult onset Henoch-Schonlein Purpura: More complicated than the childhood syndrome."

Bradley Moore, MD and David DiNuoscio, MD.

Poster Presented at ACP Ohio Meeting, October 2012 (First Place Winner); Columbus Ohio.

Poster Presented at National ACP Meeting, April 2013; San Francisco, CA.

"Typhoid Fever: A classic presentation of an uncommonly encountered disease."

Bradley Moore, MD and Troy Bishop, MD.

Poster Presented at ACP Ohio Meeting, October 2009

NEOMED Research Fellowship, James Hardwick, Ph.D., and John Chiang, Ph.D., 2007.

Collected and analyzed data for two projects. Presented two posters for the NEOMED Summer Research Fellowship Program Poster Day.

"Differential regulation of the cholesterol and fatty acid cytochrome P450 hydroxylase genes in diabetic rats and human primary hepatocytes."

"Altered expression of the fatty acid omega hydroxylase and cholesterol cytochrome P450 genes during hepatic steatosis in mouse models of obesity and humans with fatty liver disease."

Continuing Medical Education Training Specific to Resident Education

Early Career Physician Leadership Training, Summa Health April, 2022

Point of Care Ultrasound Mentorship Program, American College of Physicians May-October 2021

Procedures for Primary Care Workshop with Dr. James McNabb, MD. Dallas, TX. September 2016

Developing Faculty Competencies in Assessment, ACGME, Chicago, IL. October 2015

Teaching and Medical Education

Point of Care Ultrasound Program, Internal Medicine Residency, Founding Co-Director, Summa Health, 2021-Present
