Northeast Ohio Medical University | Office of Institutional Research

Data current as of Fall Census

Introduction

This report presents College of Graduate Studies enrollment data for Northeast Ohio Medical University (NEOMED) across five academic years, from 2022–2023 through 2026–2027. Data are drawn from official Fall Census enrollment records.

Fall Census College Enrollment by Gender

The visualization below uses a stacked bar chart with a total enrollment trend line. Each bar is divided into segments representing Male (navy), Female (teal), and Gender Unknown (gray) students, with each segment labeled with its exact headcount. The dashed amber line and labeled data points show total enrollment, making overall growth easy to track alongside the gender breakdown.

Table 1: College of Graduate Studies — Fall Census Enrollment by Gender. Columns display total headcount, headcount by gender category (Male, Female, Gender Unknown), and percentage of total enrollment per gender. Rows represent each academic year. Alternating row shading is decorative only and does not convey data meaning. Percentages are calculated from total enrollment per academic year and may not sum to 100% due to rounding. Data current as of Fall 15-Day Census.

Note: *All enrollment figures are reflective of the Fall 15-Day Census date.*
