University Research and Grants Activity

Fiscal Years 2021–2022 through 2025–2026

Northeast Ohio Medical University | Office of Institutional Research

Data are current as of the end of each fiscal year

Introduction

This report presents sponsored programs financial activity for Northeast Ohio Medical University (NEOMED) across five fiscal years, from 2021–2022 through 2025–2026. Data are drawn from official Sponsored Programs Office records and reflect activity at the close of each fiscal year.

Funding Awarded by Source

Figure 1 presents a stacked bar chart showing the dollar amount awarded to NEOMED each fiscal year by funding source: Federal, State/Local Government, and Non-Profit. Each bar segment displays the amount awarded by source. A dashed amber trend line plots the Total Awards for each year; amounts are displayed above the corresponding data points.

NIH Proposals & Active Awards

Figure 5 presents a dual line graph tracking NIH Proposals Submitted (solid navy line) and Active NIH Awards (dashed teal line) for each fiscal year. The shaded area between the lines provides visual context for the gap between proposals submitted and active awards held. Each data point is labeled with its exact count.
